II. Financial Review

Mr. Burke reviewed the October Financials:

- The current cash balance is \$3,000,007.55, providing approximately 110.9 days of cash.
- A projected full-year deficit of \$84,430 was mentioned due to payroll timing, but he stated that he expected to show a \$23,000 surplus with a new budget and staffing changes.
- Discussion on staffing changes, including the departure and hiring of new teachers.
- Executive Director Burke highlighted the School's positive financial standing.

IV. Reports

Executive Director Report: Mr. Burke said that the smooth opening of the school year continues. He spoke of the positive visit by Regent Ferrer and Lisa Long from the Charter School Office and the commitment from Ms. Long to move the request to the Regents.

Mr. Burke also stated that Kevin Quinn, our lobbyist, had said that he visited many schools and was impressed with our School and the engagement of our students and staff. He said it was the best he had seen.

Chairman Report: Mr. Callahan discussed Regent Ferrer's visit and said there was not more for him to go into; he mentioned that the Finance Committee had met on Tuesday and reviewed the Financials. He said he would have more to discuss about the building at the December

meeting. He then turned to Ms. Fuentes and asked her for the Academic Committee report.

Academic Committee:

Ms. Sarah Fuentes led the discussion, stating that they met on Tuesday with Mr. Burke and Ms. Alba and then went on with an overview of the student performance data, focusing on the STAR testing and Interim Assessment data.

She started by saying they saw a small increase in the entering STAR scores for this year's 9th grade compared with last year's 9th grade.

Significant improvements were noted among rising 10th and 11th graders in math and English Language Arts (ELA), with a notable decrease in the percentage of students performing far below grade level.

Concerns were raised about the performance in Geometry. Still, there was a big improvement from last year's first IA's and certain history courses, with the Committee acknowledging the need for targeted support in these areas.

The Committee discussed the increased seriousness with which students are approaching assessments, attributing this to a better understanding of how these assessments impact their academic progression and opportunities.

Introducing more Advanced Placement (AP) courses was highlighted as a positive development, with a high percentage of students performing well in these courses. This was seen as indicative of students' readiness for advanced coursework and the thoughtful selection of students for these courses.

Attention was drawn to the alignment between classroom performance, interim assessment results, and Regents exam preparedness to avoid disparities in student achievement.

The Committee reviewed sub-group performance, focusing on students with special needs and English Language Learners (ELLs).

The Committee praised the school culture and teaching environment, noting that the positive atmosphere and high levels of student engagement contributed to the improvements in academic performance.

There was a discussion about the cultural shift among students, with increased ambition and desire to participate in higher-level courses like AP classes.

Governance: Mr. Callahan shared that he would discuss a retreat further with Mr. Saunders and Ms. Beder and get back to everyone about some date in January or February.

Fundraising Committee: Mr. Callahan stated that Amy Fuller had agreed to join the Fundraising Committee and he would call a meeting with the Friends of Board to discuss further plans, but he urged everyone to take the recently sent out new Annual Report and draft letter and send them out to their Friends.

V. New Business: Mr. Callahan said they voted on the Expansion Resolution earlier, which was the only new business.

VI. Adjournment

Ms. Tse moved to adjourn, seconded by Ms. Beder. The meeting was adjourned at 6:43 p.m.

The next meeting is scheduled for December 21, 2023, at 6:00 p.m.
