

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Summary & Background

CHARTER HS-LAW AND SOCIAL JUSTICE

321000861064

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Submission Instructions

CHARTER HS-LAW AND SOCIAL JUSTICE

321000861064

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

CHARTER HS-LAW AND SOCIAL JUSTICE

321000861064

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

The Charter High School for Law and Social Justice launched a comprehensive stakeholder engagement process to help determine how it should potentially spend federal and state stimulus dollars to address learning, COVID-19 preparedness, and COVID 19 recovery. The school launched a web-based survey in the spring of 2020 and again in 2021 that solicited feedback on the school's current progress and needs from parents, students, teachers, and community members. The school's leadership reported to its School Board's Academic Committee on the survey results. Various teams made up of parents, staff, Board members, and community members were assembled to develop our plan in the areas of need identified in the survey. In response to the question of "As we prepare for the next school year in CHLSJ, what are the most important; academic, social-emotional, and/or mental health supports for schools to provide to serve all students (i.e., general education students, students with disabilities, English language learners, and others)?" these diverse representatives came up with a comprehensive plan on the use of these funds and how we would implement the plan. Through planning sessions and research, the collaborative teams brainstormed ideas, actions, and initiatives to implement, including using ARP ESSER funds. The assembled groups of diverse stakeholders discussed, assessed, and made recommendations associated with the following topics, including the use of funds:

- Health & Safety
- Expanding Summer School Opportunities
- After School Options
- Academic Intervention due to learning loss

Our school will continue to engage in meaningful conversations with all stakeholders, including parents of students from at-risk subgroups, through school notices/newsletters, Parent-Teacher Conference meetings, and Parent Association meetings. We also email blast important announcements and updates.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

<https://sites.google.com/chslsj.org/fall2020reopeningplan/home>

The plan along with all the related materials will be available on the website for public view. We can also send the information via secure e-mail.

ARP-ESSER LEA Base 90% Allocation - Program Information

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

CHSLSJ doesn't intend to use any of the ARP funds for any renovation work needed for the school re-opening.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

CHSLSJ will use the diagnostics test results to identify students needing academic intervention. We will use the following assessments: STAR and internally developed interim assessments (IAs). The aforementioned beginning of the year (BOY) assessment results will determine the students that will need small or individualized support during the traditional school day and after school. Our afterschool program will be open to all students in our school. However, small group and individualized instruction will be needs-based. Progress monitoring will occur at different intervals throughout the year (STAR and IAs will be given 3-4 times a year). Our Instructional APs will compile school-wide data on student progress to monitor the effectiveness of interventions. Data will be disaggregated by subjects/courses as well as by special populations (i.e., ELLs and SPED). We will track overall performance levels (i.e., number of students moving between groups (i.e., number of students moving between levels). Teachers will create data plans to address instructional gaps and instructional materials to support learning. We will monitor students' academic grades, attendance, and SEL in weekly grade level/SIT meetings to discuss progress and immediate intervention.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

CHSLSJ plans to use the ARP funding for several interventions to address the academic impact of lost instructional time. Several initiatives include additional funding personnel to address the needs of our low-income students, students with disabilities, and our English Language Learners. The funded interventions categorized as addressing academic impact lost instruction time among the students as mentioned earlier by:

- Administrating and using high-quality assessments that are valid and reliable to accurately assess students' academic progress and assist educators in meeting students' needs, including through differentiating instruction.
- Adding additional Staff:
- Seven (Tutor and/or Reading Intervention) Instructors to assist the day-to-day instruction in the classroom.
- Director of STEM
- IT Coordinator
- Two additional Guidance Counselors
- Implementing evidence-based activities to meet the comprehensive needs of students:
- Credit Recovery Summer School Programing
- Providing After-School Program (will be provided by the tutor and reading interventionists listed in code 15)
- After-School Tutoring/Regents Preparations (will be provided by the tutor and reading interventionists listed in code 15)
- Tracking student attendance and improving student engagement in classrooms and school culture
- Dedicating more resources to Advisory for instruction and building the culture of the Advisory program.
- Expand our technology offerings to our students by adding 130 Chromebook laptops to our inventory to have 1 to 1 Chromebook laptops available to all students.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

N/A

7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

CHSLSJ will monitor the progress of students using assessment results, observations, weekly grade reports, weekly attendance reports, Progress Reports (mid-way through each marking period), Report Cards (quarterly), and anecdotal notes to ensure that interventions that are put in place are meeting the academic, social, emotional and mental health needs of all of our students.

The leadership team and intervention teams will meet monthly to discuss how students progress and respond to interventions. During meetings, we will review school-wide assessment data on the assessments mentioned above to look for positive and negative trends and plan professional development for teachers to address the trends.

The School Intervention Team (SIT) will meet with teachers every week to discuss the progress of our most at-risk students. This committee will provide teachers with intervention strategies to support students at-risk for academic failure or behavioral intervention. Identifying students who need support early allows for developing a comprehensive intervention plan. Review of student progress provides periodic assessment and generates other interventions as needed.

CHSLSJ serves a student population of approximately 78% Hispanic/Latino and 20% African American with 94% free or reduced lunch and the other 6% marginal. We also have 18% SPED and approximately 19 % ENL and approximately 4% homeless. We are located in the poorest Congressional district in the US and have a very large immigrant population from the Dominican Republic and Africa. In our last graduating class 45% were first to graduate high school and go on to college.

In order to accommodate this diverse population, we moved to a co-teaching model with 2 or more teachers in a room so that we could provide more intense and small group interventions.

Upon entering CHSLSJ students are evaluated through STAR testing which evaluates and gives us the ability to determine their math levels and reading levels. We use that data to further assess and develop an intervention program. **80% of the students entering 9th grade are 2-6 years behind** so intense intervention is needed for the first days in school. This intervention includes the Social-Emotional and mental health of our students which we have obtained **Suite360** a comprehensive data-driven program to support those areas of need supported by additional guidance counselors and school mental health providers.

In addition to hiring more teachers we hired additional guidance counselors to support this intervention program. After the pandemic, our student body data shows over 70% are 2-6 years behind which requires intense intervention in every grade level.

We will monitor the progress of students using assessment results, observations, weekly grade reports, weekly attendance reports, Progress Reports (mid-way through each marking period), Report Cards (quarterly), and anecdotal notes to ensure that interventions that are put in place are meeting the academic, social, emotional and mental health needs of all of our students.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

ARP-ESSER Return to In-Person Instruction

CHARTER HS-LAW AND SOCIAL JUSTICE

321000861064

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

CHSLSJ has its complete Fall 2021 Re-Opening plan located at the following address on the school's webpage: <https://www.chslsj.org/> at the top of the school's webpage, there is a link for "Re-Opening Plan September 2021," which takes you to the following link: <https://sites.google.com/chslsj.org/fall2020reopeningplan/home> where the plan is located via PDF. All stakeholders can assess the plan. The plan is available upon request if a person is unable to access the plan via the website. A printed copy can be provided upon request at the main office.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

CHSLSJ will review and regularly update (at least every six months through September 30, 2023) its School Reopening Plan for In-Person Instruction, including a description of how public comment will be collected. CHSLSJ will seek public input on whether to revise its plan and any revisions to its plan no less than every six months (taking into consideration the timing of significant changes to CDC guidance on the reopening of schools). This will be done through periodic meetings to review, revise the plan as per the latest CDC and DOH guidance. It will include a presentation to the public for comment through our website and or surveys. The district will review comments and make revisions within CDC and DOH guidance and reflect the district population. Suppose the CDC has updated its safety recommendations when the district is not revising its plan. In that case, the district will meet and review the updated safety recommendations and male recommendations as needed.

1. Please complete the chart below by identifying the funds being used to support each allowable activity. Please respond with "0" to indicate that no funds are being assigned to a given activity. PLEASE NOTE - All proposed expenditures must be reflected within the FS-10 budget form AND budget narrative to clearly align with this item.

	FUNDING Amounts (\$)
1 - Any activity authorized by the ESEA, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.).	0
2 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.).	0
3 - Any activity authorized by the Adult Education and Family Literacy Act (AEFLA) (29 U.S.C. 3271 et seq.).	0
4 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V) (20 U.S.C. 2301 et seq.).	0
5 - Any activity authorized by subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (McKinney-Vento) (42 U.S.C. 11431 et seq.).	0
6 - Coordinating preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.	0
7 - Providing principals and other school leaders with the resources necessary to address the needs of their individual schools.	0
8 - Activities to address the unique needs of low-income children or students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, including how outreach and service delivery will meet the needs of each population.	0
9 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs.	0
10 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases.	0
11 - Purchasing supplies to sanitize and clean the facilities of the LEA, including buildings operated by such LEA.	0
12 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other education services can continue to be provided consistent with all Federal, State, and local requirements.	0
13 - Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.	19,500
14 - Providing mental health services and supports, including through the implementation of evidence based full-service community schools.	0
15 - Planning and implementing activities related to summer learning and enrichment and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children and youth in foster care.	0
16 - Addressing the academic impact of lost instructional time among an LEA's students (including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care) by: a) Administering and using high-quality assessments that are valid and reliable to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction; b) Implementing	1,661,082

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

- Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**

CHLSLJ - FS10 Signed - updated.pdf

- Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.**

Budget Narrative - ARP.docx

- Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.**

	Total Funds (\$)
15 - Professional Salaries	1,661,082
16 - Support Staff Salaries	0
40 - Purchased Services	0
